# PDGA Rules

PDGA Official Rules of Disc Golf

<https://www.pdga.com/rules/official-rules-disc-golf>

## <sup>(1)</sup> **Standard OB rules**

If a player disc is OB, the normal OB rule applies. Unless otherwise stated under the individual hole descriptions.

Play from where the disc last was inbound or re-throw from previous spot.

Both will result in a one stroke penalty.

On some holes a spotter will help you in the direction of your disc.

But remember, a spotter is not a judge!

If there is any doubt about where the disc last where inbound or if it is OB. Then it is up to the group the make the decision.
